

**ST- AUGUSTINE
PRIVATE HOSPITAL**

where patients come first

What to Bring into the Hospital

It may be useful to bring in the following items for your stay in the hospital. If you were admitted as an emergency patient you may wish to ask a friend or relative to bring these items in for you:

- **Loose, easy to remove night clothes and dressing gown**
- **Underwear**
- **Slippers (non slip soles)**
- **Shaving kit**
- **Towels**
- **Tissues and moist wipes**
- **Personal toiletries (soap, toothbrush, comb, hairbrush)**
- **Day clothes and shoes where appropriate**
- **Any walking aids or splints / appliances you use**
- **Reading glasses**
- **Hearing aid and storage box**
- **Denture storage box**
- **Medication you are currently taking or recently stopped (in their original boxes)**
- **Contact names and numbers for 2 people such as relatives or close friends**
